TERMINAL DISCLAIMER SUBMISSION

Dear Sir:

On May 19, 2010, Applicants submitted a terminal disclaimer in the above-captioned application. Subsequently, Applicants discovered that the terminal disclaimer contained an incorrect application serial number for the co-pending application being disclaimed. Applicants herein submit a replacement terminal disclaimer having the correct application serial number and respectfully request that the instant terminal disclaimer substitute that previously submitted. The terminal disclaimer filed May 19, 2010 should be considered void.

Since Applicants previously submitted the required terminal disclaimer fee, Applicants do not believe that any fees are presently due. However, if any fees are due and are not included, the Director is authorized to charge any fees or credit any overpayment due to Deposit Account No. 23-2426 of Winstead PC (referencing matter 50562-P001US).

If there are any questions concerning this paper or the present application in general, the undersigned may be contacted at 713-650-2663.

Respectfully submitted,

WINSTEAD PC
